All rental equipment must be paid in full upon booking to secure. Reservation of rental equipment is only available for full day (8 hours) or multi-day rentals. Reservation of equipment for half day rentals is not permitted. All half day rentals start at 1pm, are based on availability, and are first come, first served (walk in only). Equipment availability may be limited due to other events, tours or programs which may be taking place.

Requirements:

- A valid credit card and driver's license number must be provided to pick up rental equipment
- Rental agreement must be completed.
- All renters must be aged 19 or older.
- Minors must be accompanied by an adult.
- Renters must have a basic understanding of how to use the equipment they are renting.

Hoodoo Adventure Company Ltd reserves the right to deny / reschedule the release of rental equipment in the event of adverse weather conditions which may compromise the safety of the renter. Hoodoo Adventure Company Ltd reserves the right to refuse rentals to any person for any reason at our discretion.

Late Fees:

- All rentals are subject to late fees if not returned on time. The renter agrees to return the equipment at the specified time or be subject to additional fees.
- Rentals are leased based on half day, full day, and overnight fees; renters are subject to the appropriate fee based on the length of time the equipment is overdue, including any additional time it takes to return the item back into circulation.
- E-bikes take longer to return to circulation once returned, due to their need for charging. Penalties for late E-bike returns may be higher as a reflection of this.

Damaged Equipment:

- Renter agrees to cover the cost of any damage or loss incurred while equipment is in their possession. This is based on the cost of repairing or replacing the equipment.
- eBikes and bikes: It is expected that the renter will have a basic understanding of the equipment they are renting and that they will acknowledge any obvious malfunctions or warning lights while using the equipment by contacting us directly for guidance. If the renter chooses not to acknowledge an obvious malfunction or warning light and continues to use

the equipment without approval of Hoodoo Adventure Company, the renter will be liable for any subsequent damage to the equipment.

EBike Considerations:

- EBikes are available for half day rentals, full day rentals, or multi-day rentals.
- Due to the charge time required for EBikes, their turnaround time is significantly longer than our regular bikes; therefore *we do not allow for these rentals to be kept overnight to be returned in the morning*. If you would like to return the EBikes the following morning, you will be charged a full day rental fee per bike. We encourage all EBike renters to return their bikes on time, and at least 30 minutes prior to closing time.

Equipment Transportation Guidelines:

Renters may be permitted to transport our bikes and E-Bikes under specific conditions:

- Bikes and eBikes cannot be disassembled for transport inside a vehicle (Wheels may not be removed / Handle bars must not be turned)
- E-Bikes must only be transported outside of a vehicle on a genuine E-bike rated carrier rack
- E-Bikes CANNOT be transported in a pick up truck and draped over a tailgate mat - This may result in damage to battery and frame
- E-Bikes CANNOT be transported in a trailer unless the trailer has a bike carrier rack installed specifically to carry E-bikes
- We reserve the right to deny personal transportation of our equipment if we deem the equipment to be inadequate for transportation. We may request to inspect transportation equipment and approve of it before releasing the equipment for rent.

Transportation of watercraft is also subject to approval of transportation by Hoodoo Adventure Company Ltd. and is decided on a case by case basis.
